## Determination. Resoluteness. Strength of Character. Kindness. Resiliency.

Material that contains these qualities is a reflection of its authors, and all of us at LIFE Leadership are honored to share with you a glimpse of these real-life people, our content contributors. This graceful group has dedicated their lives to making a difference in yours. Please take a few moments to make your LIFE Leadership journey a little more personal by getting to know these amazing individuals.

### Claude Hamilton

Bestselling author of *Toughen Up!* Claude Hamilton served eight years, beginning at

the age of seventeen, in the Canadian Armed Forces. But then he realized the life of an entrepreneur was the only life for him and became a dedicated student of leadership principles. When he started his own leadership business, he was so successful, having acquired thousands of followers, that he ended up leaving a promising military career and cofounding LIFE Leadership with his devoted friends. He regularly speaks to large crowds around the world passionately promoting the principles and values that have served him well. Striving to practice daily what he firmly believes and teaches, he is known in the business world first and foremost for his character, courage, and convictions. Those traits, along with his drive and determination, make him a powerful leader who persistently inspires people to reach for their dreams.

### Bill Lewis

Bill Lewis studied mechanical engineering for three years and was working as an engineer, as well as pursuing

ventures in real estate investing and the vending machine industry, when he first became an avid student of leadership principles. Through the application of such principles, his relationships have flourished, and his various entrepreneurial endeavors have prospered. He has built a thriving leadership business with a vast following and is a cofounder of LIFE Leadership. Bill is an inspiration to all those he meets. In the wake of losing his faithful, loving wife and business partner, Jackie, to a sudden illness in March of 2014, he holds strong to his faith and remains dedicated to providing the best upbringing for their children. And he continues to be driven by his desire to help other people enjoy increased success in their personal and professional lives, working perpetually toward that end.

### Dan Hawkins

Dan Hawkins has an associate's degree in automotive technology and graduated with

honors at the top of his class. He worked as an ASE Certified Master Technician for fifteen years. In 2004, he was introduced to leadership and success principles and made the brave decision to change career paths. Since then, Dan has established an organization of thousands of people. His leadership proficiency is so readily recognizable that he has been asked to speak to groups across the globe ranging in size from 25 to over 15,000 people, and he also speaks on live webcasts shown around the world to share practical knowledge in all areas of leadership. Dan is a cofounder of LIFE Leadership and authors multiple blogs on leadership and life. He is dedicated to bringing out the best in everyone he meets and is always ready to motivate and encourage others to develop their leadership principles and then "pay it forward."

## “Dark Water” by Chris Brady – \$10.00

Chris presents a deep sea of thought-provoking content revealing the spiritual laws that say: When you really need the inner tubes you've constructed and blown up, you will find out that they're nothing but air. They will not protect you when the dark water comes. We may try to do it all without God, but eventually we realize He is in control of everything in our lives.

## “Delay Your Gratification” by Claude Hamilton – \$10.00

Claude delivers a straightforward talk about how to get your financial life in order, sharing details of his own personal experience with turning his emotional thought process into a clearer and rational way of thinking. Many people are so addicted to instant gratification that each purchase is putting them deeper in debt. Cut up that plastic, learn to live within your means, and reap the rewards of delayed gratification and financial freedom!

## “The Lens Effect” by Orrin Woodward – \$10.00

How do you see the world? There are so many different and unique ways each of us views life. Orrin reveals that victim, follower, performer, and leader are the 4 different lenses through which people view life. Which lens are you using today, and which do you want to begin looking through? Choose the right one, become more successful, and accomplish greater things in life.
